

Pressure Washer Detergent

Handi- Pack Detergent Mixing Instructions

1. Remove handi-pack from the hard plastic display container
2. Open and remove outer protective bag.
3. Drop inner pack, with detergent still inside soft bag, into 5 gallon pail.
4. Add five gallons of water to the pail allowing the water to flow over self dissolving handi-pack so bag will dissolve quickly. Warm water works best.
5. Mix detergent solution gently for 1-2 minutes or completely dissolved.

Other Helpful Information About Legacy Detergents

DIRECTIONS FOR APPLYING: After mixing thoroughly, this product is ready to use at a 15-to-1 dilution rate. Most pressure washer detergent injection attachments automatically mix detergent into the washer spray at a 15-to-1 ratio. Apply detergent into the water spray at a 15-to-1 ratio. Apply detergent from the bottom up and rinse from the top down. Rinse off plants and grass. Do not allow detergent to dry on any surface.

COVERAGE: About 5,000 sq. ft. when used through a pressure washer with a flow rate of up to 3.5 GPM (gallons per minute) and with a detergent dispensing ratio of 15-to-1.

CAUTIONS: When handling use proper protective gear such as gloves, glasses or goggles. Avoid contact with skin and eyes to avoid irritation. Avoid breathing spray mists. Do not take internally. Keep out of reach of children and pets. Wash thoroughly after use. Follow recommended safety precautions found on Material Safety Data Sheet.

First Aid

EYES: Immediately flush with water for 15 minutes. Get medical attention immediately.

SKIN: Wash thoroughly with water. Get medical attention, if irritation persists.

INTERNAL: Do NOT induce vomiting. Drink water. Get medical attention immediately.

INSTRUCTIONS

1. Open **outer** protective bag by cutting along dotted line above (Caution: do not cut inner powder pack)
2. Remove **inner** powder pack.
3. Drop self-dissolving **inner** powder pack (with detergent still inside the pack) into a 5-gallon pail, add water and stir gently. If available, warm water works best.

CAUTION

This bag contains a commercial detergent product. Keep out of reach of children and pets. Do not take internally. Avoid contact with eyes or skin. See package label for details on how to obtain Material Safety Data Sheet.
